

Value Proposition

Outsource Design & Engineering Services
... with a difference

... get the Praezis Advantage ...

... partner for Perfect Advantage ...

Enhancing Competitiveness *in a* Challenging Market

... partner for **Perfect Advantage** ...

'Præzis'

is derived from the German-Swiss word, *prazise* (or precision).

A venture of the ATH Group, **ATH-Præzis** proudly and confidently delivers on its commitments with **Precision, Speed, Accuracy.**

... get the *Præzis Advantage* ...

A Project Manager's Quiver - a special arrow

Optimise Cost Base - Reduce Overheads, Increase Profitability

Foreign Exchange Rate advantage – over other 'low-cost' countries

Increase Quality Output - more than 'just a pair of hands' ... 'a brain'

Get Variable Capacity - No 'fixed charge' - No 'lock-in', ease of scalability

Get Operational 'pressure relief' - Get fast response; 'Quick on uptake'

Fast Turnaround - 24-hour Operations

Time Zone advantage

Customer Focused Model - Answers to Challenges of Outsourcing

Delivery of Full Value - Not routine 'jobbing'

Access to Talent - Experienced engineers, experts, design draftsmen

Language, Communication - No language barrier; Experienced with engineering standards

No 'Red Eyes' - Thorough local supervision of work, flexible timings

No Logistics, Frequent Travel - Full professional supervision
